Please answer the questions below as fully as possible. When you're finished email the questions & your answers to hello@cardandgiftnetwork.com. If you are chosen for a feature I will send you some follow up questions specific to your business.

With your email, please include 2-4 hi-res images of your product or behind the scenes at your business.*

1. Easy one first, can you tell me your name and your business?
2. What is your USP (Unique selling proposition) or the 30 second elevator pitch you would use to describe your business and what makes it special to a stranger?
3. What's your background? What inspired you to start your business? How did you get to where you are today?
4. How does your experience help you run your business?
5. Tell us about your products or the services you offer? What are they? What makes them stand out from your competitors?
6. If you had to pick 3 or 4 highlights or "best bits" of your business to point out to a customer, what would you tell them?
7. And finally, where can people find out more?
